MEMORANDUM FOR: Secretary of Defense

At the request of the NSC Staff, we've prepared this map which shows the Soviet domestic oil and gas pipeline network, along with the location of Soviet forced labor camps. (The export pipeline is in black.) Keep in mind that the oil pipeline from Moscow, through Kansk-Achinsk to Lake Baibkal, runs alongside the Trans-Siberian Railway. It's the railroad that explains the multitude of camps along this route.
